

HERE'S THE NEWS FOR May

With Love

Dear Parents:

May is a beautiful but difficult month. Winding up a year is never easy and saying good-bye for the summer is always hard. We haven't had the opportunity to tell you just how much we have truly enjoyed the children and we would like to thank you for allowing us to be a part of their young lives. This is the time of year that we stand back and marvel at how far each child has come since September. They came to us as our little three-year-olds and are leaving us as pre-kindergartners! You have no idea what that does to our hearts. We are so proud of each and every child. We would also like to thank you for all your support. You have helped make this a wonderful year!

Fun at the Park!

We are looking forward to celebrating our summer birthdays at Howard Amon Park on Friday May 13th at 9:30 a.m. We will meet by the toys. We will sing Happy Birthday to our summer birthdays, eat ice cream and play until 11:00. Like our previous field trip, we need a chaperone to stay. If the weather is undesirable, we will meet in our classroom for a regular school day.

Graduation

We have a little "moving-up" ceremony scheduled for Wednesday, May 25th at 10:00 a.m. This is a very special time for all of us as we acknowledge each child moving up to the Pre-K class. We are staggering our graduations, so **the children will come to school with you at 10:00.**

Mother's Day

The children are planning a small gathering for their moms outside on Friday, May 6th at 10:00. We realize this may be a difficult time of day for some of you, but we hope you can arrange your schedule to attend. If mom is unavailable someone may come in her place. **No siblings please.** The children are excited to entertain you on this special day. Come and relax. Please bring a blanket to sit on and we'll provide the lemonade and cake. We are staggering our picnics, so **the children will come to school with you at 10:00.** We promise you an enjoyable morning!
